

Premium INFOGRAPHICS

750

Communicate with clarity and style

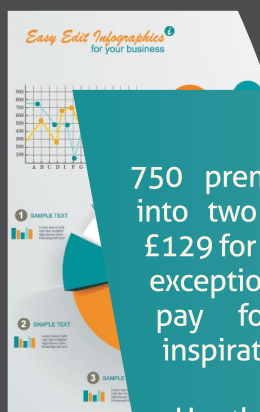

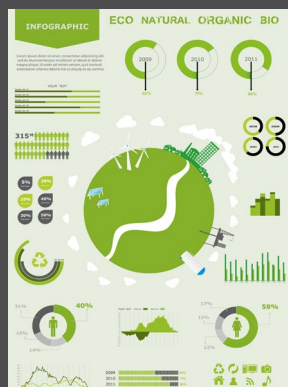

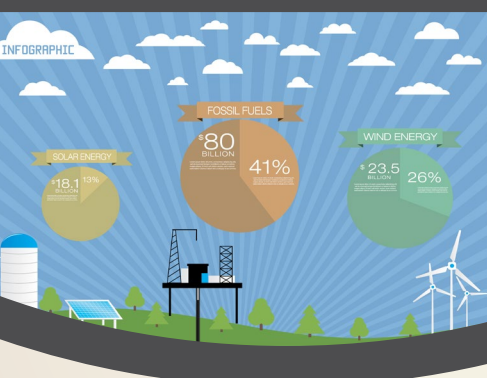

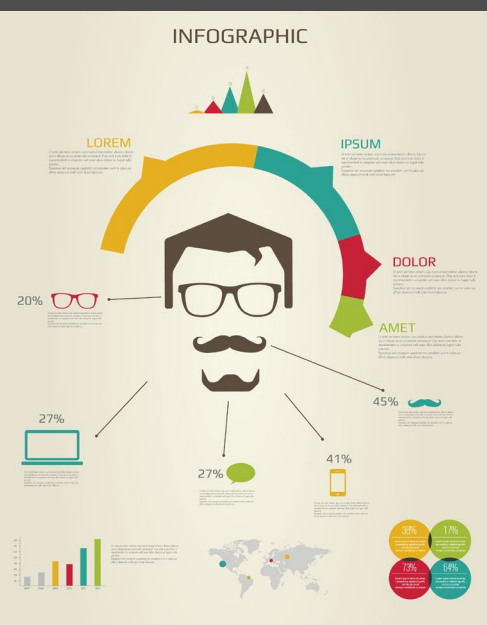

Available on both physical
DVD or eDVD

The first ever dedicated resource
for high-end infographics.

A never ending source
of creative inspiration.

750 premium infographics crammed into two amazing volumes. At only £129 for the entire collection this is an exceptional investment which will pay for itself with a single inspiration.

Use the designs as they are or as a starting point for your own creations. Whatever your data demands you'll find modern graphics to visualise it clearly and with a touch of panache.

A myriad of different styles and subjects

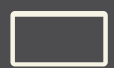

Each file is a fully editable vector and packed full of graphic elements

£129.00
